

2006 Sawmill Monday's R/S Golf League

Minimum League Outing prize money of \$230 plus carry overs (if any).

Proximity markers on every hole (paying \$10 each) as follows:

- | | |
|---------------------------------|----------------------------------|
| 1. Longest Drive | 10. Closest 2 nd Shot |
| 2. Closest 3 rd Shot | 11. Closest To Pin |
| 3. Closest 2 nd Shot | 12. Longest Drive |
| 4. Longest Putt | 13. Longest Putt |
| 5. Closest To Pin | 14. Closest 2 nd Shot |
| 6. Closest 2 nd Shot | 15. Closest 3 rd Shot |
| 7. Closest To Pin | 16. Closest To Pin |
| 8. Longest Putt | 17. Closest 2 nd Shot |
| 9. Longest Drive | 18. Longest Drive |

Our league rules will govern play for today's outing and we will play from the white tees.

Each group is responsible for keeping track of their own scores, adjusting for handicap, converting to Chicago points and recording total score. You will also act as Marker and Attest the others card.

You will use the 9 hole handicap listed for you on the reverse side and **double it** for today's match. (ex. If your handicap is 18, you will get two strokes per hole. If your handicap is 8, you will get a stroke on the holes with the corresponding 1-16 handicaps and in this instance would mean that you'd get a single stroke on 8 holes on the front nine and a single stroke on 8 holes on the back.)

Two people per scorecard, the top 2 lines for one person and the bottom 2 lines for the other.

On your first line indicate your GROSS score and NET score as appropriate (gross score is actual score shot and net score is score after deducting any handicap from gross). Ex: your handicap is 10 and your actual score on hole #9 is 4, please **record in single box "4/3"**, and likewise if your actual score on hole #15 is 7, please **record in single box "7/5"**, finally if your score on #18 is 8, **record as "8/7"**.

On your second line indicate the Chicago point value corresponding to your net score for that hole.

Eagle = 8 Birdie = 3 Par = 1 Bogey = 0 Double Bogey = -1 Triple Bogey or higher = -2

Continuing from example above, your Chicago score for hole #9 is 3, for #15 is 1, and for #18 is -1.
