

Bay Valley Wednesday's Golf League

As you are aware this league follows the current edition of the U.S.G.A. Rules of Golf, which states, "In the interest of all, players should play without delay."

With Winter Rules, Gimmies, a 10 stroke max. and No Loss of Distance on Out of Bounds, play should easily be completed in less than 2 hours 15 minutes. ***Have FUN, but please keep PACE!***

Here are some ideas on how to play ready so as to AVOID SLOW PLAY:

ON THE TEE

- ___ Check in with the Pro Shop 25 minutes prior to your tee time.
- ___ Be warmed up and ready to be the first one to hit your shot.
- ___ Shorter hitters could hit first.
- ___ Tee off as soon as the group ahead is safely out of the way.

TEE TO GREEN

- ___ Plan your shot before you are over the ball, as you approach note strength and direction of wind.
- ___ Observe where other players are so you will know when it will be your turn.
- ___ **BE READY** to hit your ball the moment another player has completed their shot.
- ___ Limit your practice swings. Hit when ready and safe to do so.
- ___ **Learn hazard markings and rules**, you will score better, lose fewer balls and speed up play.
- ___ Carry an extra ball to use in the event your shot becomes lost or is out of bounds.
- ___ When entering a bunker, enter from the low side, so as not to break down the integrity of the design. Take a rake with you so it will be available for grooming immediately after shot.
- ___ When driving a cart, drop your partner off at their ball and continue on to yours.
- ___ If carts must remain on the path, take several clubs with you to play the next shot.
- ___ Limit search for lost balls to 3-5 minutes.

Players searching for a ball should signal the players behind them to pass as soon as it becomes apparent that the ball will not easily be found. They should not search for five minutes before doing so. They should not continue play until the players following them have passed and are out of range.

- ___ **Watch your interval between groups. Keeping pace means watching where the group in front of you is and keeping up with them.** Do not watch the group behind you.
- ___ If a match fails to keep its place on the *course* and loses more than one clear hole on the players in front, it should invite the match following to play through.

ON THE GREEN

- ___ Place your clubs/park cart between the green and the next tee.
- ___ Mark your ball only if it will obstruct another players line or if asked to do so.
- ___ Closest shot should tend/remove the pin.
- ___ First to hole out should take responsibility for replacing flagstick when the last person holes out.
- ___ Line up your putt while others are putting. Continuous putting speeds play.
- ___ Stand away from others lines and be aware of your shadow.
- ___ Opt to finish putting out instead of marking the ball when you only have a short putt left.
- ___ Leave the green **IMMEDIATELY** after holing out and proceed to the next tee.
- ___ Complete your scorecard at the next tee.
