### Tournament Format:

This year's format will be four person teams, playing a scramble. Each team will play with another team. Each team is allowed only ONE player with a handicap less than 10 (Eighteen Holes). Handicaps will be verified by GAM or League Secretary. Any change to a team's roster after the auction will eliminate that team from the Calcutta. The field will be split into flights based upon number of teams; those flights will be determined by the scores shot the day of the event. (Example: 30 teams = 3 flights of 10 teams)
