The field will be split into flights based upon number of teams; those flights will be determined by the scores shot the day of the event. (Example: 30 teams = 3 flights of 10 teams)

**Event Scoring**

**Ties will be broken by a sudden death playoff on the scorecard starting at the number one handicap hole.**

**Example: Two teams tie for last place in the first flight. Team A has a 3 on Hole #7, Team B has 4. Because Team A had the better score, Team A stays in the first flight and Team B wins first place second flight.**
