

2014 Hook & Slice League Fun Night Scramble!

\$20 for green fee and cart owed directly to proshop!

I took the league and sorted them by handicap and average. I then took the highest handicap player and paired with the lowest handicap player, continuing until all pairings were made. Since we don't have an even number of players and Scott DeWyse is a 0 handicap and is averaging 5 strokes better than the next closest competitor over the last 4 rounds, I made him a 3 man team. Scott, Seth and Bill will compete straight up against us!

Our league rules will govern play for Fun Night and we will play from the blue tees. Use Bay Valley scorecard. We will be playing the Back, Blue Tee's.

Play a team scramble. Each player hits ball from tee box. The best shot is chosen and each member then plays from that spot. This continues until the hole is finished.

Partner drop (with in a club length) - no closer to hole and must remain in the same element (rough, fringe, fairway, hazard). Ball on green must be played from same spot.

If ball to be played from a bunker, you may rake and **place** ball (everyone).

If ball to be played from hazard, must **drop** ball and play it as it lies (no bump).

Each person gets one reload that can be used anytime, but you cannot use reloads consecutively. (ex. Everyone putts and misses, one person can use their reload to putt again. Nobody else can use their reload for same putt.)
