Our league rules will govern play for Fun Night and we will play from the **Blue tees**. Yes that is correct... Blue tees, not White or Gold tees. Use The Sawmill scorecard.

4 Man Team Scramble/Watch Format:

- Each player hits ball from tee box. A shot is selected and team drops 3 balls.
- The golfer whose tee shot was selected must **WATCH** his team's next shot.
- This process continues until the ball is on the green with one person having to watch each shot (ie. only 3 players play each shot except for tee shots and putts).
- A player only **Watches** for the one shot following their selected shot.
- Once the ball is on the green, all four players putt until the ball is holed.
- If the team chooses to putt from off the green, only three players can play that shot.
- All four players tee off on the next hole and the watch process begins again.

At least 1 tee shot from each person on the team must be used.

- **Each team gets a single reload from tee box, (only one person from the team may use the reload, not everyone).**

Team drop (within a club length) no closer to hole and must remain in the same element (rough, fringe, fairway, hazard). Ball on green must be played from same spot.

If ball to be played from a bunker, you may rake and place ball (everyone).

If there is a no-show player, make a 3 man scramble team with NO Watching.

Just play a 3 man scramble with the above rules (except the bulleted rules).

You get 3 tee box reloads (anytime), (each person gets 1 reload) and you still need at least one tee shot from each player.

You get 3 putt reloads but they cannot be used consecutively, (each person gets 1 reload). (ex. Everyone putts and misses, one person can use their reload to putt again. Nobody else can use a reload for same putt.)
