

2025 R/S Golf League Fun Night Scramble!

I took the league and sorted them by handicap and average, splitting up partners.

I then took the highest handicap player and paired with the lowest handicap player, continuing until all pairings were made.

Our league rules will govern play for Fun Night and we will play the Back nine from “your” tees.

Play a 4 man team scramble. Each player hits ball from tee box. The best shot is chosen and each member then plays from that spot. This continues until the hole is finished.

Partner drop (within a club length) - no closer to hole and must remain in the same element (rough, fringe, fairway, hazard). Ball on green must be played from same spot.

If ball to be played from a bunker, may rake and **place** ball after partners shot.

If ball to be played from hazard, must **drop** ball and play it as it lies (no bump).

At least 1 tee shot of each person on the team must be used.

Each person gets one reload that can be used anytime, but you cannot use reloads consecutively. (ex. Everyone putts and misses, one person can use their reload to putt again. Nobody else can use their reload for same putt.)

If 3-Man Team, everyone gets 3 reloads that can be used anytime, no rotating for missing man!

Have Fun – Play Well
