

2026 R/S Fun Night

Hey Guys!

Fun Night is Monday September 21st.

4:30 pm shotgun start from the clubhouse to be at your tee and off by 4:45 pm.

4-man "Step Aside/Watch" scramble from the Red Tees (Front Nine)!

Drop within 3-4 club lengths if in play, give yourself a shot, stay in same condition, no closer.

Fringe, 1 club length no closer.

Green, just enough to avoid any bad spots...

OB, penalty stroke, point of entry, only 2 club lengths.

Penalty area, play it as it lies within 6 inches or penalty stroke, point of entry, only 2 club lengths.

"Step Aside/Watch" means:

Each player hits tee shot. One shot is selected and team drops 3 balls.

The player who's shot was selected must "step aside/watch" the other three players take 2nd shot.

This process continues (3rd shot, 4th shot, etc.) until the ball is on the green with one player having to "step aside/watch" each shot (ie. only 3 players play each approach shot.)

Once the ball is on the green, all four players putt until ball is holed.

If the team chooses to putt from off the green, only three players can play that shot.

All four players tee off on the next hole and the "step aside/watch" process begins again until on the green.

At least 1 tee shot from each person must be used.

Each team gets a single reload to be used from the tee box, (only one person from the team may use the reload, not everyone).
